It is to be noted that the Houston Office, in 1952, was office of origin of an investigation entitled "AMERICAN G. I. FORUM OF TEXAS, IS - C", Bureau file 62-96541, Houston file 100-8638. It appears that the Houston Office at that time was conducting investigation to determine if various chapters of this organization were subversive groups. It is noted that the Bureau, in a letter to Houston, dated 11/16/54, advised that the 1952 investigation by the Houston Office was closed, inasmuch as no evidence of Communist infiltration or influence in this organization was developed.

It is further noted from the October, 1954 copy of "News Bulletin", a publication of the American G. I. Forum, with headquarters at Austin, Texas, in an article entitled "Colorado G. I. Forum News", that there are numerous local chapters of this organization in various towns in Texas, and that there are chapters in New Mexico, Colorado, Arizona, Utah, and Kansas.

[REDACTED] b2 b7c b6 b7c

By separate letter, the offices covering areas in which other chapters of the American G. I. Forum are believed to be in existence, have been advised that the Dallas Chapter is under Communist Party control and domination, and that those offices should ascertain from appropriate informants whether any of the chapters in their areas are so controlled and dominated.

Re Dallas let to Bureau 7/25/55, KC let to Dallas
 8/16/55 and Dallas let to Kansas City 9/1/55.

In referenced Dallas letter dated September 1, 1955, Dallas set forth information to the effect that chapters of the G.I. Forum were now in existence in Dodge City, Arkansas City and Garden City, Kansas. Dallas further advised that information had been received indicating that efforts had been made to set up chapters of the G.I. Forum in Hutchinson, Newton and Wichita, Kansas.

Investigation conducted at Dodge City and Garden City, Kansas, reflects that chapters of the American G.I. Forum of Texas, Inc., have been organized. The names of the officers of these two chapters were searched through the indices of the Kansas City Office with negative results. [REDACTED] advised SA [REDACTED] on October 25, 1955, that they can furnish no information concerning the American G.I. Forum of Texas or the officers of the respective chapters. Both informants are familiar with some phases of Communist activity in the Kansas City area. b2 b7D

Extensive investigation was conducted at Arkansas City, Kansas, and this investigation failed to indicate that a chapter of the above-captioned organization has been formed. Investigation is presently being conducted at Hutchinson, Newton and Wichita in an effort to determine if chapters have been formed in those cities.
